Administrative Services - Materiel Division

SUBJECT: Unrestricted Open Market Purchase Authority FY 2013-2014

State Statute §81-161.03 RRS authorizes Administrative Services (AS) Materiel Division to grant agencies unrestricted open market purchase authority for the purchase or lease of goods for non-contract purchases for under \$10,000. There are exceptions to this authorization. See Attachment I. Agency representatives with Payroll and Financial Center PT30 and PT31 security levels are required to attend and successfully complete the Payroll and Financial Center Procurement Certification program. If your agency has employees needing to complete the certification program, please contact Brian Svik at Brian.Svik@nebraska.gov or 402-471-1467 to schedule time for training.

Prior to making any direct purchases, agencies are to verify whether a contract is available for the product needed by checking the Payroll and Financial Center or via the AS Materiel Division, State Purchasing Bureau website at <http://www.das.state.ne.us/materiel/purchasing>. If a contract is available, the purchasing agency must proceed with generating a purchase order from the contract in the Payroll and Financial Center. Purchase orders are to be completed prior to placing the order with the vendor. Purchase orders clearly state the product(s) the vendor is to provide, the quantity and the product price(s). The purchase order protects the State with terms and conditions for the purchase. Purchase orders must have an authorized signature prior to sending order to the vendor in order for the purchase order to be valid.

If a contract is not available, and the purchase amount is between \$2,000 and \$9,999.99, agencies are strongly encouraged to solicit 3 informal bids from qualified vendors who can provide the product(s). Purchase orders are required for all direct purchases \$2,000 and over. These must be entered in the Payroll and Financial Center. Documentation including vendor names and bid prices must be attached to the purchase order(s) in the Payroll and Financial Center. See Work Instructions on how to attach documents in the Payroll and Financial Center at: http://www.das.state.ne.us/nis/training_manuals/index.html.

Agencies are responsible for insuring that vendors support a Drug-Free Work Place Environment. The Invitations to Bid and Request for Proposals which are processed through the AS Materiel Division, State Purchasing Bureau, include a statement which addresses the vendors' Drug-Free Work Place policies. In order to eliminate the need for a "Drug-Free Vendors" list, it is recommended a similar statement be included in purchases processed through your agency, example:

"By signing this Invitation to Bid, the bidder agrees to the "Standard Conditions and Terms of Bid Solicitation and Offer" and is committed to provide a drug-free work place environment."

The above statement is included on the agency Invitation to Bid form(s) in the Payroll and Financial Center.

All State agencies, boards, and commissions have authority to purchase directly from Cornhusker State Industries, Department of Correctional Services (CSI) for any amount. There are no restrictions on the dollar amount of the purchase. **Any item available from CSI, but not purchased from CSI, must be processed through the AS Materiel Division, State Purchasing Bureau.** Document type (OW), in the Payroll and Financial Center, shall be used for these purchases. CSI catalog is available on-line at: <https://www.nebraska.gov/apps-csi/>

Agencies have unlimited purchase authority for **COPYRIGHTED** publications and these purchases are not required to be processed through the State Purchasing Bureau. Document type (ZO), in the Payroll and Financial Center, for these purchases.

FIXED ASSETS

All purchases of fixed assets using object account numbers between 580300 and 586999 are to be made by generating purchase orders in the Payroll and Financial Center

Any and all trade-ins must be submitted to State Surplus Property for approval by the AS Materiel Division Administrator **prior** to the trade-in of any equipment. **No exceptions!**

IT EQUIPMENT

With a dollar amount under \$500, Agencies are allowed direct entry of an (OP) purchase order, p-Card, or direct pay when purchasing Non-Contract IT items, on the Pre-Approved items list. When completing a One Time Purchase of a Non-Contract item over \$500, the Agency must use an (OP) generated from an (ON) for Commodities. For items on contract and pre-approved, agencies are to generate an (OG) purchase order from (OC) commodity contract. For items on contract but not on the pre-approved list, agencies are to generate an (O6) purchase order from (OC) contract.

SERVICE CONTRACTS

Per State Statute §73-503 **All** service contracts, regardless of dollar amount, must be entered into the Payroll and Financial Center. **No exceptions!** When entering a service contract, State Statute §73-503(4) requires the agency to identify a physical location of where a copy of the bid documents and service contract are located. This information is to be entered in the Additional Properties, Document Location field. On service procurement(s) \$50,000 and over and on contract, purchase orders must be generated from the contract using (O9) purchase order document type. Purchase orders must have an authorized signature prior to sending order to the vendor in order for the purchase order to be valid. If there isn't a contract, and the purchase order is \$25,000 or greater but less than \$50,000, a one-time purchase order must be generated utilizing the (Z8) document type in the Payroll and Financial Center.

Purchase orders are to be completed and signed by an agency authorized agent prior to placing the order with the vendor. Purchase orders clearly state the service to be provided, quantity and the price(s). The purchase order protects the State with terms and conditions for the purchase. The process would be:
